Subject No. 321.
Adoption of the revised regulation of the Civil and Military Station instead of the proposed draft Municipal Regulation.

Summary of discussion.—The revised regulation in force in the Civil and Military Station should be extended to the City of Bangolore instead of the draft Municipal Regalation.

Dewan's reply.—Recorded.

Subject No. 322.
Maintenance of Bangalore City tanks even after the Hessarghatta scheme.

Summary of discussion.—The tanks in the Bangalore City should be maintained and supplied with water as at present even after the Hessarghatta Scheme is carried out.

Dewan's reply.—Noted.

Subject No. 323.
Making over of fines to Municipal Funds.

Summary of discussion.—The fines levied under local and special laws in force in the City should be made over to Municipal Funds in the same manner as fines levied under the Municipal Regulations.

Dewan's reply.—This will be considered.

Subject No. 324.
Employment of competent Native Doctors.

Summary of discussion.—It is generally desired that Government should provide Native Doctors or men competent to distribute simple and harmless medicines to the sick one for each Hobli (group of villages.)

Dewan's reply.—Impracticable.

Subject No. 325.
Revision of rates of Municipal house tax.

Summary of discussion.—A revision of the house tax in every Municipality on some sound basis and proper rates of assessment would confer much benefit on the people without causing any loss to Government. The people of Vadigenahalli would propose the undermentioned rates.

For houses whose value is less than Rs. 100 .. Rs. 0 12 0
Do Rs. 150 and more than Rs. 100 .. Re. 1 0 0
Do more than Rs. 150 .. as per present scale.

Dewan's reply.—The new Municipal Regulation when it comes into force will bring uniform rates into force in Municipalities based upon the annual rental value of houses. (See also remarks on similar representations from Hunsur and Nanjangud in the Mysore District.)

Subject No. 326.
Road repairs with metal instead of gravel.

Summary of discussion.—Money seems to be thrown away every year in gravelling roads. These gravelled roads wear out soon and are only fair-weather roads. In the long run it would be cheaper if roads are metalled.

Dewan's reply.—These are matters for the Local Fund Board's consideration.

Subject No. 327.
Resigned tope lands to be given out as free grazing.

Summary of discussion.—Some lands containing topes being heavily assessed, have been resigned by the Pattadars. They should be given out as gomal land for free grazing.

Dewan's reply.—Applications in individual cases will be considered on their respective merits.

Subject No. 328.
Undue enhancement of Jodi by Survey Department.

Summary of discussion.—The Survey Department have enhanced the Jodi amount due to Government by assessing all waste lands in Jodi villages. This has led to many such
